THADDAEUS KONDRUSIEWICZ**  
Apostolic Administrator  
for Latin Rite Catholics  
in the European Part of Russia

Dear brothers and sisters in Christ,

---

I wish to thank you in advance for your extraordinary help and generosity!

Know that your charity and efforts will be remembered in our prayers as a real and concrete effort to help the rebirth of Christianity in Russia during these very difficult beginnings. I will keep your intentions and needs present before me for through the mystical bonds of charity and faith: You are participants in the triumphs, sorrows and mission of our Church in Russia.

Thank you for bringing unexpected strength and hope to our Church in Russia. I pray God Almighty will continue to bless your efforts and your work. May the Almighty God bless and protect all of you in our efforts to bring to fulfillment all that Mary Most Holy promised Russia and the world in Fatima.

With my blessings and prayers,

*Thaddaeus Kondrusiewicz*
